

I have meals everyday, sometimes I eat out, while other times I order take-out.  
I have a lot of coffee and matcha latte, but I never bring my own cup (so I never get a discount).  
I do cleaning, I do shopping, I do get groceries.  
I DO WORK, TOO.  
I never cared about how much trash I could make everyday.

**Until, there was one week I forgot to clean up my trashcan.**

So here is my Trash-Zine.  
The following shows what each color and item means.  
Enjoy.
